Hello David,

Will you be the right person I can contact regarding Highland Capital's wiring information? I just need to verify the account number we received last night as part of our security.

Please let me know.

Thanks,

Matt, Matt

I am preparing to release your 750K but I need to call someone from Highland to verify the account number you provided Chris last night. Part of our security process. Who can I reach out to do a call back? Please send name and phone number so I can release your refund today.

Thanks,
